

Department of Environmental Protection Temporary Noise Waiver Application

Applicant Information

Applicant Name: Clark Concrete Contractors LLC

Address: 7500 Old Georgetown Road City: Bethesda Zip Code: 20814

Primary Contact Name: Michael Cogo

Phone Number: 240-319-2664 E-mail Address: michael.cogo@clarkconcretelc.com

Noise Source Information

Location of noise source or activity for which the waiver is requested:

Suburban Hospital
8600 Old Georgetown Road
Bethesda, MD 20814

Description of noise source or activity that will create the noise:

Setting up concrete pump truck and concrete trucks delivering concrete for placing of large foundation mat pour.

Date(s) and time(s) for which the waiver is requested:

(for example: 9:00 pm, May 1, 2010 to 7:00 am, May 2, 2010)

4:00 AM March 10, 2018 to 5:00 PM March 10, 2018

4:00 AM March 17, 2018 to 5:00 PM March 17, 2018 (back up date)

Justification for Requesting a Temporary Waiver

Why is a Temporary Noise Waiver being requested?

The 900 cubic yard foundation mat pour is not able to be conducted within typical working hours of 9am to 5pm on Saturdays. The concrete pour must occur on a Saturday to minimize the impact to the Suburban Hospital loading dock deliveries. Logistically the only place the concrete pump can be set up is from the loading dock to reach the foundation mat location.

How will the public benefit if a Temporary Noise Waiver is issued?

The waiver will allow for the work to be completed on a Saturday and to keep access to the Suburban Hospital during the week for their daily deliveries. Completing the work on a Saturday will minimize the impact to their deliveries. The public will also benefit from a reduced impact to the traffic. The concrete pour will require 15 trucks to make multiple trips back and forth to the plant which will have less impact to the traffic on Old Georgetown Rd on the weekend.

If a Temporary Noise Waiver is issued, DEP may set conditions on the applicant. Describe the steps that have been taken or will be taken to reduce the level or duration of the noise for which the waiver is requested:

Additional flaggers will be on site to ensure that concrete trucks are directed into the Hospital campus and construction site as quickly and efficiently as possible. All concrete trucks will be staged within the construction site and hospital loading dock to minimize noise disturbance to the surrounding neighborhood.
